Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2020-21 educational progress for Multicultural Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact the Principal, Mrs. Mohana Mukherjee for assistance.

The AER is available for you to review electronically by visiting the following web <http://macademyk8.com/transparency/>, or you may review a copy in the main office at your child's school.

For the 2020-2021 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate

at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

Multicultural Academy is striving to meet the state's proficiency targets based on state assessment data. The school is implementing strategies that meet the needs of all levels of learners, and developing teachers who are prepared to serve students who are significantly behind their statewide average peers in opportunities to learn.

State law requires that we also report additional information.

5. Initiatives Taken:

The ELL Department and the Title I Department have been working closely with classroom teachers by providing support to Tier 2 and Tier 3, both in push-in and pull out forms.

Moreover, to overcome the school's challenges, we have the following:

- The school will hire highly qualified and certified teachers and highly qualified paraprofessionals. The school administration is working hard on zero turn-over of staff so give academic and mental stability to students and their growth.
- The school is forming a team to keep updating the School Improvement Plan (SIP) on yearly basis. The school will make sure the SIP is implemented.
- The Academy is partnering with our families and the community stakeholders to strengthen academic achievement and parental involvement. Multicultural Academy is a Title I school, covering PreK-8 and our students represent different cultures and 8 different languages are spoken.
- The school's curriculum is housed at <http://www.curriculumcrafter.com/> and it is aligned with the state Common Core Standards and NWEA assessments.
