MICIP Portfolio Report

Multicultural Academy

Improve Math Proficiency in Mstep

Status: ACTIVE

Statement: By June 2025, the percent of FAY students in grades 3-8 proficient in mathematics will increase by 3%.

Created Date: 06/01/2021

Target Completion Date: 06/18/2026

Strategies:

(1/3): Language-Rich Mathematics: Tools and Strategies for Leveraging Language to Improve Learning

Owner: Mohana Mukherjee

Start Date: 04/19/2023

Due Date: 06/17/2026

Summary: Language-Rich Mathematics: Tools and Strategies for Leveraging Language to Improve Learning refers to implementing instructional practices and strategic scaffolds to increase access and understanding for students with diverse learning needs and strengths. Both conceptual understanding and the language of mathematics are developed as students engage in language-rich tasks. With appropriate scaffolds and engaging instruction, students are able to process and produce the language of mathematics giving themselves and their teachers a clearer window into their understanding. Educators will engage in frequent, ongoing professional learning to develop an understanding of language-rich environments, instructional practices, appropriate scaffolds, and the concept of "differentiated products". Individual educators as well as those working in teams will access and learn to effectively use the "Language Supports for Mathematics" as presented in the MAISA Mathematics Units for grades 3 through Algebra 2. Educators will also learn to use these models for refining their own tools and practice.

(2/3): MTSS Framework (General)

Owner: Mohana Mukherjee

Start Date: 12/14/2023

Due Date: 06/17/2026

Summary: "A Multi-Tiered System of Supports (MTSS) is a comprehensive framework comprised of a collection of research-based strategies designed to meet the individual needs and assets of the whole child at all achievement levels. MTSS intentionally interconnects the education, health, and human service systems in support of learners, schools, centers, and community outcomes. The five essential components of MTSS are inter-related and complementary. Implementation of the essential components as intended provides educational settings with a framework to organize the strategies and processes needed to support successful learner outcomes. The five essential components include the following: Team-Based Leadership; Tiered Delivery System; Selection and Implementation of Instruction, Interventions and Supports; Comprehensive Screening & Assessment System; Continuous Data-Based Decision Making."

(3/3): 23g Tutoring

Owner: Mohana Mukherjee

Start Date: 02/20/2024

Due Date: 06/18/2026

Summary: Tutoring, defined as supplemental one-on-one or small group instruction, can be a powerful tool for accelerated learning. Tutoring is an effective intervention because tutoring:

- customizes learning to target a student’s immediate learning needs.
- provides additional instructional time by aligning the tutoring activities to current classroom activities.
- offers more engagement, rapid feedback, and less distractions in one-on-one and small group environments.
- creates meaningful mentor relationships.

Achievement : Reading

Status: ACTIVE

Statement: By June 2025, 50% of full academic year (FAY) students in grades K-8 will meet or exceed their growth target in Reading.

Created Date: 05/26/2022

Target Completion Date: 06/16/2026

Strategies:

(1/3): Culturally Responsive-Sustaining Education

Owner: Mohana Mukherjee

Start Date: 04/25/2023

Due Date: 06/19/2025

Summary: Creates student-centered learning environments that affirm racial, linguistic, and cultural identities; prepares students for rigor and independent learning; develops students' ability to connect across lines of difference; elevates historically marginalized voices; and empowers students as agents of social change.

(2/3): 23g Expanded Learning Time

Owner: Mohana Mukherjee

Start Date: 10/30/2023

Due Date: 06/19/2025

Summary: EdTrust defines expanded learning time (ELT) as programs or strategies implemented to increase the amount of instruction and learning students experience. ELT strategies include afterschool, summer, and in-school programs. The evidence suggests that extended learning time programs, including extended school day (ESD), extended school year (ESY), and expanded learning opportunities (ELO) programs that provide academic services during out-of-school time hours, can be effective in improving a range of educational outcomes for students. Findings also suggest that extended learning time programs may be more advantageous for low-income, low-performing, ethnic minority or otherwise disadvantaged students.

(3/3): MTSS - Literacy (Reading)

Owner: Mohana Mukherjee

Start Date: 12/14/2023

Due Date: 06/15/2026

Summary: The reading components of a Multi-Tiered System of Supports includes systems to address the continuum of reading needs across the student body, evidence-based practices focused on the Big Ideas of Reading designed to improve reading outcomes for all students, and data use and analysis. These components are further defined in the Reading Tiered Fidelity Inventory, Elementary-Level Edition and Secondary Level Edition and aligned to MDE's five essential components of MTSS.
